Guideline for procurement & distribution of Sweaters to Pre-School children attending AWCs

Sweater for pre-school children:

Pre-School children attending AWCs are provided uniforms, Shoes and Socks under Malati Devi Prak Vidyalaya Paridhan Yojana. However, during winters, children come to AWCs wearing a different coloured sweater which does not give the children, a smarter look. As the children have already been given a pair of uniforms, shoes & socks, it becomes pertinent to also provide them a sweater which shall be extremely beneficial to these kids during winters. Additionally, this would provide a complete and smarter look to the children during winters.

Beneficiaries: All Pre-School children (3-6 years) enrolled at AWCs as per POSHAN Tracker data as of July 2025.

No. of sweater per child: 1 sweater with hood per child per year

Cost of sweater: Maximum Rs.150/- per sweater with hood

Specification:

Boys- Maroon V- neck sweater with hood, full sleeve (as per specific sizes of children)

Girls- Maroon V- neck sweater with hood, full sleeve (as per specific sizes of children)

Procurement Procedure: The sweater shall be procured from Micro & Small Enterprise (MSE) Manufacturing Units within the block, at the project level, having infrastructure and willingness to manufacture and supply the sweaters as per the specifications mentioned. Districts may also decide to procure from a MSE unit located in another block or district, subject to supply as per specifications and within the cost norm. Where Micro & Small Enterprise (MSE) Manufacturing Units are not manufacturing sweaters, AWW of the AWC may procure them from suitable source ensuring quality and timely delivery as per the specifications mentioned.

A standard reporting and monitoring mechanism is to be followed for supply of sweaters to children. It needs to be ensured that the children get sweaters of their size which will fit them comfortably. The detailed guideline for selection of Micro & Small Enterprise (MSE) Manufacturing Units for supply of sweaters is enclosed in Annexure A.

It is to be ensured that Micro & Small Enterprise (MSE) Manufacturing Units having manufacturing capacity shall be selected for supply of Sweater within their capacity to manufacture. Supervisors and CDPOs shall monitor the quality of sweaters being purchased and supplied to the AWCs.

Mode of distribution: The sweater should be distributed to children statewide on 2nd October every year. Distribution shall be done on this fixed day, with prior notice to the parents. All planning is to be done accordingly.

Participation of the Community: PRI members, members of Jaanch Committee, Mothers Committee and other leading persons of the community to be invited to the AWC on the day of distribution of the sweater. Parents/caregivers must be encouraged to send their children in uniform along with sweater.

Budget for sweater: Funds will be released to districts from the State Budget.

Placement of funds: Necessary funds would be transferred to the DSWO Account, who, in turn, would transfer the same to the accounts of the CDPOs concerned after assessing the number of pre-school children enrolled in AWCs of the project if Micro & Small Enterprise (MSE) Manufacturing Units manufacturing the sweater are selected. CDPOs shall release funds to the Micro & Small Enterprise (MSE) Manufacturing Units as per the selection process after completion of distribution process.

However, wherever, AWW are directly procuring from suitable source ensuring quality and timely delivery, DSWO shall directly transfer fund to the account of AWW.

Documentation:

- a. AWWs to maintain a register with names of children to whom sweater has been distributed. The register should be countersigned by the Supervisor and members of the Jaanch Committee and Mothers Committee.
- b. AWW to take good quality photographs on the day of distribution where ALL children are present and share it with the project office and Supervisor. In case some child is not present that day, separate photograph to be taken with the child in the sweater.

Supervision: District/Project level officials and Supervisors to make visit to the AWCs on the day of distribution of sweater. On other visit days, they must verify the status of distribution of sweater and also whether the children are wearing them to school every day during winter.

Submission of reports and returns: DSWOs to submit UC to W&CD Department. They will also give a certificate to the effect that all enrolled pre-school children have been provided with sweater. Both these should be submitted by 31st October 2025.
